RE: Off-Premises Catering Permit

Dear Ms. Davis-Brown:

ISSUE: This office is in receipt of your e-mail, dated February 26, 2016, wherein you ask how you may obtain a catering license. You also note in your e-mail that your LID number is 69839.

Pennsylvania Liquor Control Board (“PLCB”) records indicate that Garys Bar LLC, t/a Garys Bar, holds Restaurant Liquor License No. R-21491 (LID 69839) for use by it at premises located at 8-10 West Main Street, Palmyra, Pennsylvania. You are listed as the Board-approved manager.

OPINION: Pursuant to section 406(f) of the Liquor Code, holders of restaurant licenses may apply for and obtain an off-premises catering permit (“OPCP”), which allows the permittee to hold a “catered function” off its licensed premises and on otherwise unlicensed premises. Sales of alcohol at such catered functions are permitted and can be by the glass, open bottle or other container, for consumption on the catered premises; no sales for take-out are permitted. 47 P.S. § 4-406(f).

A “catered function” is defined as “the furnishing of food prepared on the premises or brought onto the premises already prepared in conjunction with alcoholic beverages for the accommodation of a person or an identifiable group of people, not the general public, who made arrangements for the function at least thirty days in advance.” 47 P.S. §1-102.

Additionally, as noted in section 406(f) of the Liquor Code:

(f) ...Functions conducted under the authority of the permit shall be subject to the following:

- (1) alcohol may be provided only during the days and hours that the license holder may otherwise sell alcohol;
- (2) all servers at the off premises catered function shall be in compliance with the responsible alcohol management provisions under section 471.1;
- (3) each catered function shall last no longer than one day and not more than fifty catered functions may be held each calendar year by each license holder for use with a particular license;
- (4) a catered function shall not be held at a location that is already subject to the applicant's or another licensee's license;
- (5) a permit shall not be issued to an applicant whose license is in safekeeping;
- (6) a permit shall not be issued to a location that is subject to a pending objection by the director of the Bureau of Licensing or the board under section 470(a.1);
- (7) a permit shall not be issued to a location that is subject to a pending license suspension under section 471 or the one-year prohibition on the issuance or transfer of a license under section 471(b);
- (8) no alcohol may be taken from the permitted location by any patron, but the applicant may transport alcohol to and from its licensed premises to the proposed premises;
- (9) written notice of the catered function as enumerated in paragraph (10) shall be provided to the local police and the enforcement bureau at least seven days in advance of the event;
- (10) written notice shall be provided to the board at least thirty days prior to a catered function. Written notice must include the location of the function, time of the function, host of the function, general information regarding the guests expected at the function as well as any information the board shall from time to time

prescribe. The board may, in its discretion, accept notice in an electronic format. The board may, in its discretion, waive the thirty-day notice period for a catered function if:

(i) the applicant has previously conducted functions that meet the requirements of this act;

(ii) the applicant is a licensee in good standing with the board;

(iii) notification was received at least fourteen days prior to the catered function; and

(iv) the applicant pays a late fee of one hundred dollars (\$100);

(11) the board shall, in its discretion, approve or disapprove a catered function if the applicant fails to provide timely notice of the catered function, does not intend to conduct a function that meets the requirements of this act or has previously conducted a function that did not meet the requirements of this act;

(12) if a catered function is scheduled to occur on private property, the owner of that property is deemed to have submitted to the jurisdiction of the enforcement bureau, and the warrant required by section 211(a)(2) of this act shall not be necessary for the enforcement bureau to enter and search the premises during the function or any activities related to the function;

(13) no catered function may be held for more than five hours per day and must end by midnight;

(14) neither the owner of the property nor the applicant may sell tickets to a catered function unless one of the following conditions is met:

(i) the applicant has contracted with an eligible entity for the function, and the function is being used to raise money for the eligible entity's organization;

(ii) the applicant has contracted with a nonprofit organization as defined under section 501(c)(3) of the Internal Revenue Code of 1986 (Public Law 99-514, 26 U.S.C. § 501(c)(3)), for an event which has the sole purpose of raising funds for that nonprofit organization; or

(iii) the applicant has contracted with an organization that holds tax exempt status under section 527 of the Internal Revenue Code of 1986;

(15) the catered function location shall be subject to section 493(34) of this act;

(16) catered functions may not be held in locations that are subject to a pending, protested transfer application;

(17) a permit may not be issued to a license holder whose license is subject to a pending objection by the director of the Bureau of Licensing or the board under section 470(a.1);

(18) a permit shall not be issued to a licensee for use in any location that is mobile; and

(19) a permit shall not be issued for use on any location used for parking at a sports event or concert event.

47 P.S. § 4-406(f)(footnotes omitted).

Finally, please be advised, that the deadline to apply for an OPCP is March 1st of each calendar year. 47 P.S. § 4-493(33). This deadline is statutorily imposed. There is nothing in the Liquor Code or the PLCB's Regulations that would permit the PLCB to extend this deadline. The deadline for the 2016 calendar year has passed. The next application window will run from January 1, 2017 through March 1, 2017. There is a licensing fee of \$500.00. The form to apply for an OPCP can be found on the PLCB's website at www.lcb.state.pa.us.
