

Discover the Joys of Learning at Keystone Early Learning Center

Learning starts with counting fingers and toes. Before you know it, it is chapter books and multiplication tables. In between are the building blocks of early education, where young children establish the foundation for a lifetime of learning.

At **Keystone Early Learning Center** your child will be cared for in a loving and nurturing environment by experienced and dedicated teachers. Our carefully crafted programs are age appropriate, all with the goal of encouraging curious, happy, and confident children, who fully experience the joys of childhood.

At the Keystone Early Learning Center, a **Governor's Model Child Care Program**, our early education & preschool experience includes:

- Innovative curriculum that guides children through each age and stage, empowering them to become confident, successful, lifelong learners
- Health, safety, and security policies that meet or exceed state and local standards
- STAR 4 rating by the Pennsylvania Keystone STARS Program
- Accreditation by the National Association for the Education of Young Children (NAEYC)
- Participation in the Child and Adult Care Food Program, serving all enrolled children breakfast, lunch and snack
- Experienced child development professionals with the training to guide and nurture each child
- Strong parent/teacher communication and partnerships

"I have been absolutely thrilled with our experience at the Keystone Early Learning Center. It is clear that our child is loved by the staff at the center and that they are special people who make him feel happy, confident and have helped him to learn and grow. We could not be happier with our child care choice." – A KELC Parent
